EVENING BULLETIN is Constructive In Its Policy

3:30 EDITION

No average retail business can afford to ever be out of the newspapers. In this busy world a merchant is so easily forgotten if he does not keen constantly before the public. If the merchant does not advertise all the time he will surely be overlooked.

(Special Bulletin Wireless.) HILO, Sept. 22—Congressman Kahn of California, in a speech made at the

Board of Trade banquet given in his

bonor, piedged his assistance in Con-

gress and otherwise to Hawaii in fill-

the proposed Kilauca national park

and in clearing Kanio Bay channel. In

vision of the sugar tariff. He advo-

cated encouraging European Immigra-

tion to the Islands, and declared that

upon his return to Washington he will

THEFT CHARGED TO TRUSTED POSTOFFICE MAN

LOSES BECKLEY **ESTATE**

Fortune Held

Mrs. George C. Beckley, nee Miss girl who was wedded in San Francisco a few weeks ago to George C. Marshal Hendry, and after Federal of-ventures. Beckley, is not, through that fact, en-ficials had interrogated him, was sent! Beckley is a night clerk at the office titled now to the money.

The plea in abstement is sustained, the court rules as set ruling stating "the statute removed the disability of coverture but not that of infancy." It was claimed for Mrs. Beckley that as she had wedded she was entitled to the money at once.

The first of the small maps in conrection with the big sanitary survey be brought to light. start was made then, and from now on wife and five children are dependent against him. the small maps will keep coming in right along.

In order to break the men into the work properly, Health Officer Dr. Shepherd, Chief Inspector Charlock and three of the inspectors are working in company for the first few days. Later on the men will work singly. great benefit that this system of working will be to the board and also to the sanitary commission was seen to are now to be put in on the big map.

Nothing will be spared to finish the turned every day with all the additionat data added to them for transmission thing.

PAVING FIGHT IN PROSPECT SOON

That members of the road commit tee of the city and county Board of Supervisors will come forward with a majority report recommending that a contract for paving one block along Paving Company, is considered a fore-

stowal of a fat contract to the highest lifethday a few days ago.
